PAGE 191 BOOK 1

189

The fallings indicated on this drawing and in the notes for Township 16 North Range 3 East along the North line of the Twp. are apparently incorrect. They indicate fallings of 15, 10, 36, 50, and 45 links. In reality, these fallings should be around 900 links. (see notes for Twp 16-2; they indicate 800-900 links)

J. Kent
