CREATING A CITIZEN ACCESS ACCOUNT

1. Account Login

On the Citizen Access Portal homepage, click the link labeled 'New Users,' located below the login fields, to create an account.

The next screen contains terms and conditions to create an account. Please read before proceeding.

The screenshot shows the account registration page on the Indianapolis Citizen Access Portal. At the top, there is the Indianapolis logo and navigation links for 'Announcements', 'Register for an Account', and 'Login'. Below this is a horizontal menu with 'Home', 'Permits and Contractors', 'Enforcement', 'Planning / Historic Preservation', and a 'more' dropdown. The main heading is 'Account Registration', followed by a list of required information: 'Choose a user name and password', 'Personal and Contact Information', and 'License Numbers if you are registering as a licensed professional (optional)'. A checkbox for 'I have read and accepted the above terms.' is checked. A 'Continue Registration' button is at the bottom. The footer contains copyright information for 2010 Accela Inc.

2. Login Information

On the next screen, create a user name and password.

The user name and password created will be used to gain access into the portal.

The screenshot shows the 'Account Registration Step 2: Enter / Confirm Your Account Information' page. At the top is the Indianapolis logo and navigation links for 'Announcements', 'Register for an Account', and 'Login'. Below is a menu with 'Home', 'Permits and Contractors', 'Enforcement', 'Planning / Historic Preservation', and a 'more' dropdown. The main content area is titled 'Login Information' and contains several required fields marked with an asterisk and a help icon: 'User Name', 'E-mail Address', 'Password', 'Type Password Again', 'Select a Security Question' (a dropdown menu), and 'Answer'. A note at the top right of the form states '* indicates a required field.'

3. Contact Information

Below the Login Information, enter the contact information.

Click the 'Add New' button to proceed.

Input information in the popup screen and press the 'Continue' button.

Note: The email address entered will be used to verify the account in the next step.

The screenshot shows a 'Contact Information' form with the following fields: * First, Middle, * Last (text boxes); * Name of Business (text box); * Address Line 1 (text box); * City, * State (dropdown menu), * Zip (text box); * Work Phone, Mobile Phone, Fax (text boxes); * E-mail (text box). At the bottom are buttons for 'Continue', 'Clear', and 'Discard Changes'.

4. Continue Registration & Verification

After reviewing the contact information entered, click the 'Continue Registration' button to submit the new account request.

To complete the account creation, check your email for an email from dce.noreply@indy.gov. Click the link in this email to verify the account email address and be directed back to the Citizen Access login screen. Your account cannot be used until this email verification link is clicked.

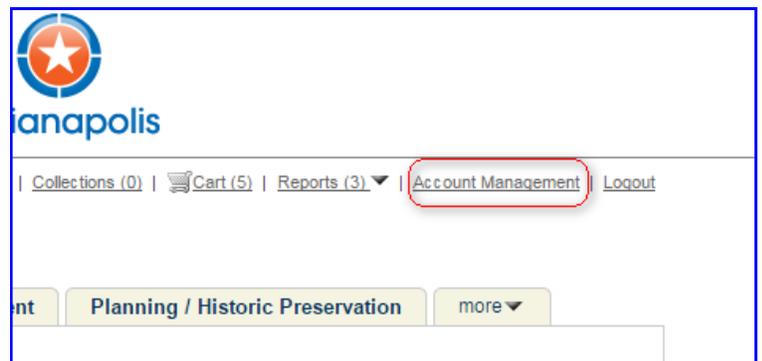

Applicants can now log in with the username and password and create a lobbyist registration.

ASSOCIATING A CONTRACTOR LICENSE TO YOUR ACCOUNT

1. Account management

Once you have your account confirmed, login to the citizen's access site.

In the top right-hand corner of the page, click the link for 'Account Management'

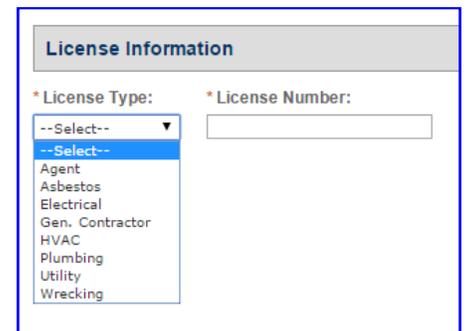

2. Adding the license

About mid-way down the account management page, you will see a section titled 'License Information'. On the gray bar, click the link to 'Add a License'.

On the next screen, you will be prompted to input your license type and exact license number. Use your company license number first, then repeat this process for your individual license/agent listings.

*Note, your license will not be available to associate if it is expired, the insurance on file has expired, or if the bond on file has expired. If you cannot find your license in this search feature, you will need to contact the licensing staff and make sure your license is up-to-date.

2. Adding the license (continued)

Once you input the license number, it will display the search results. You will need to click the 'Connect' link in the action column on the search results.

Once you click the connect button, this sends an email to City staff for approval. Once your license connection has been approved, you will be able to utilize the online system features with your login related to the licenses attached.

Repeat these steps for each license you would like attached to your login.

*If your company has multiple licenses across industries, you can connect all the contractor licenses to one account, or you can setup separate accounts for each one.

3. Verification

Once your license association request has been approved, you will receive an email letting you know. Once you have received this email, you can log into the Citizen's Access portal and begin taking advantage of the online services offered to licensed contractors.

If for some reason your license association gets denied, you will receive a notification of why. You will need to work with the City staff to reconcile any discrepancies.
