A person's third and subsequent violations in a twelve-month period shall be subject to the enforcement procedures and penalties in section 103-3 of this code.

WHAT CAN I DO?

REPAIR IT: Have the vehicle repaired at an auto repair garage.

SELL IT: Sell the vehicle before the date you are required to have it removed. (Do this by placing classified ads, etc., NOT by putting signs on the vehicle)

DONATE IT: The Salvation Army and The Volunteers of America are two non-profit organizations that accept vehicles as donations. There are likely more.

JUNK IT: Salvage (Junk) yards are listed in the Yellow Pages under Automobile Wrecking. Salvage dealers will often pay you for your vehicle. However, you may have to pay to have it removed from your property, depending on the condition of the vehicle. You must have clear title to the vehicle.

STORE IT: Move the vehicle into your private garage or to a legal storage facility completely out of public view.

LICENSE IT: This can be done at your local Bureau of Motor Vehicles (BMV).
