PERMIT AMOUNT _____

- A permit **MUST** be obtained for all activities located within the right-of-way such as: excavations, use, obstruction, trenching, boring, etc.
- Expect a 3-5 day (business day) turn-around time on standard permit requests. If permit is within the Regional Center, review times can vary since additional approval must be obtained from Special Events and IMPD. (Regional Center: The area which is bordered by and includes the following streets and public right-of-way: Sixteenth (16th) Street on the north, I-65/I-70 on the east, Morris Street on the south and the Belt Railroad on the west. In addition, the area also includes one-half block to each side of Meridian Street from Sixteenth (16th) Street through Thirtieth (30th) Street.)
- The applicant is **NOT** required to be a licensed General Contractor to obtain Right-of-Way Use permits. However, the applicant **MUST be a licensed, bonded and insured General Contractor** within Marion County to obtain permits to excavate within public Right of Way. The applicant must have the General Contractor's Business License Number in addition to the Authorized Agent's License Number on the application. The applicant must be an authorized agent listed on the company license in order to sign applications on the company's behalf when applying for Right-of-Way Excavation permits.
- An exact legal address of the parcel nearest to the location where the work is taking place is required on each application.
- The applicant must specify the area(s) being restricted (traffic lane, shoulder, sidewalk, bike lane or parking lane). Please indicate if restricting access to: ParkIndy (Meters) IndyGo (Bus Stations), BlueIndy (Electric Cars), Cultural Trail or any other CityTrails.
- Prop No. 65. Section 645-703. Please contact the Utility Coordinator at the Department of Public Works (DPW) if placing a new utility pole or wireless support structure in the public ROW, in a residential area, at least 20 days before work is to begin. The Department will notify the public 10 days in advance by posting notice to the City website at www.indy.gov/dpw under the Street Closing Alerts.
- If the applicant is going to use scaffolding, you must submit the specifications, elevations and details of what materials are being used, the sizing of those materials and members shown on the plans, and a plan drawn to scale. Permits are subject to additional approvals through our Building/Structural Department.
- The applicant must identify the exact date or date range for which the work will actually take place. A permit can be extended **one** time only. You must contact our office **BEFORE** the date the permit is due to expire. If extended and additional fees due, fees must be paid before the re-issuance of the extended permit. The permit request must be submitted in writing by the applicant and is subject to re-approval. A new application and permit will be required for any subsequent extensions. Expired permits will not be extended.
- Any work in and/or use of the Right-of-Way within the Regional Center or as directed by staff must have an ILEA (Indiana Law Enforcement Academy) officer on site at all times, an arrowboard & cones in traffic lane(s) restricted. You can contact IMPD for this information at (317) 327-6532.
- To apply for a **TOTAL ROAD CLOSURE** permit, the applicant must submit a site plan/map as well as a detailed written description of a detour route. The application must be submitted for review and approval two (2) weeks prior to the start date and post signs to inform the public of the upcoming closure. The applicant must notify all affected businesses, churches, schools, residences and emergency services of the closure and provide step-by-step directions of traffic detour. Closures are subject to ROW Inspector, Special Events and IMPD approval, so approval times could vary.
- **ALL EXCAVATION** permits must be activated for inspection 24-hrs prior to the commencement of work. The phone number listed on each permit. The number is (317) 327-5525.
- Please adhere to the City Notice Ordinance Section 391-301 and 302.
- **A copy of the Regulations for Activities within the Public Right of Way can be found:**
<http://www.indy.gov/eGov/City/CodeEnforcement/Forms/Infrastructure/REGULATIONSFORACTIVITIESWITHINPUBLICRIGHTFebruary2007.pdf>
- **ALL** City Codes can be found under www.municode.com
