STAFF COMMENTS

The applicant has amended the request to remove the installation of a new driveway and landscape buffer and a new ground sign. The remainder of the application includes the expansion of an existing parking area on the east end of the building and relocation of a sculpture. Per IHPC policies, the remainder of the request may be reviewed at an administrative hearing.

With that, the applicant requests the application be continued to the November 9, 2010, administrative hearing which takes place at 12:00 pm in room 1801 of the City-County building.
