

Doing Business Globally

12:00 – 2:00 PM, July 15, 2009

Indiana Convention Center, Room 206-207

Global leaders from China, Nigeria, and Senegal will meet with you and discuss how you can do business in and/or with their countries. American business owners will share their experiences in taking critical steps and exploring business opportunities globally. Network and make business connections right at the workshop site!
