## MAYOR AND COMMUNITY MEMBERS TO CUT RIBBON AT SOUTHEASTWAY PARK TRAIL! *BIKE, HIKE, RUN, WALK INDY PARKS' NEWEST TRAIL ON THE CITY'S SOUTHEAST SIDE*

INDIANAPOLIS – (Oct. 26, 2010) Mayor Greg Ballard will be joined by members of the Southeastway Park community at 4:15 p.m. Wednesday, Oct. 27, to celebrate the completion of the Southeastway Park Trail.

The Recreational Trails Program, administered through Indiana Department of Natural Resources' Outdoor Recreation, awarded Indy Parks & Recreation a \$129,875 grant for trail rehabilitation and establishment. The much-anticipated 2.7-mile trail winds through Southeastway's nature park and along Buck Creek. Utilizing existing trail structure, the Southeastway Park Trail allows park-goers to explore the park by biking, walking, jogging, rollerblading or pushing a stroller.
