INDY PARKS TEMPORARILY CLOSING PORTION OF MONON TRAIL FOR REPAIRS

INDIANAPOLIS - Indy Parks will close the Monon Rail-Trail between 86th Street on the south and 91st Street on the north on or after April 5th to repair uneven pavement. Approximately a 140 foot section of trail will be removed and replaced. Root pop-ups are creating an unsafe surface for trail users.

Weather permitting the job should take about a week to complete. The closest detour route around the construction is available to the west along Evergreen Avenue and through Nora plaza.

Indy Parks' 2009 Capital Improvement Budget is funding the \$14,800 cost of the project. If anyone (from the public) has any questions please call 327-PARK.

EDS: While the DMD may own the Monon, the parks department oversees it.
