

Athletic Field Fees 2012

Indy Parks has 200 possible athletic fields for your next outdoor event. Simply contact our staff (327-PARK) at least two weeks in advance to obtain your permit (unless it is a contract for a user group). Each field will be an A, B or C. (see listings of fields). Field use for a designated season is for practice and scheduled league games only. Camps, clinics and tournament are considered Special Events and must go thru Special Use Committee.

The subletting of fields to other parties is not permitted. All fees are based on one field. Lining/Painting Fields/Stripping will be done on a case by case decision. User groups must provide the painting product as directed by Park Manager, two weeks prior to event. Staff will do their best to accommodate user group needs.
