About the Monon Trail

The Monon Railroad was built in 1847 and converted to a rail-trail in 1996. The rail-trail pioneered in Indiana an already nation-wide vision: converting railways to greenways for recreation and commuter use. The trail now serves as a 10 mile multiuse pathway from Downtown Indy at 10th Street north to the Marion County Line at 96th Street. The trail continues into Hamilton County 5.25 miles north. Today runners, walkers, bicycle riders, wheelchair users, and in-line skaters experience many of the city's naturally diverse areas while enjoying the fun and fitness offered by the Monon. The Monon will connect to the Northeast corner of the Cultural Trail.

Volunteer opportunities are available. Call Indy Parks Greenways at: (317) 327-7431 for information or visit www.indyparks.org/greenways.
