If you need a park ranger to report a crime NOT in progress, vandalism, etc...) please call **327-3811**.
 If your situation is an emergency, (injury, fire, crime in progress) call **911**.

Southeastway Park Map

Please follow these rules while visiting Southeastway Park. We want *everyone* to enjoy their visit.

1. Dogs are welcome, but **must** be on a leash. This rule is for your dogs protection. There are many wild animals in the park and having your dog on a leash allows you to control them quickly if a wild animal approaches them.
2. Parking is allowed in designated parking areas only. No off-road parking is allowed. If all parking areas are filled, please park parallel to the roadway.
3. Woodland trails are for foot traffic only. No biking is allowed on these trails. There is a paved path for bicycling.
4. No open fires are allowed. There are charcoal grills available throughout the park.
5. The park closes at dusk. No camping allowed.
6. The park is also a nature preserve; therefore, no natural items are to be picked, collected or removed from the park.
7. No alcohol is allowed in the park.

Park Information

Hours:

The park is open daily from dawn to dusk. The park office is open Monday-Friday from 9 a.m. to 5 p.m. and Saturday-Sunday from 12 p.m. to 4 p.m.

Shelters and Picnic Sites:

Shelters: Southeastway Park has 6 large picnic shelters available for rental. These shelters are perfect for company picnics, family reunions and church outings. Shelters can accommodate groups up to 100 people.

Picnic Sites: Southeastway Park has 3 picnic sites available for rental. Picnic sites are ideal for family and small group picnics. These sites are not covered. Sites can accommodate groups up to 50 people.

Additional Areas:

There are also many individual picnic tables and groupings of picnic tables located throughout the park. These are available on a first come first serve basis.

Activity Center/Office:

When visiting the park, stop by the Activity Center/Office. This is where you can pick up park information, find out about park events and talk with members of the park staff. The Activity Center is also available for rent.

Seasonal Events

Educational Programs:

Southeastway Park offers a wide variety of environmental education programs for school, scout and public groups. Contact the park office for more information.

Maple Syrup Season:

Mid-February through mid-March groups can witness maple syrup making in process and taste the results!

Summer Camps:

Southeastway Park offers a variety of environmental education camps for ages 3 to 15. These camps focus on hands-on experiences with the outdoors.

Bug Fest:

Offered the last Sunday in August, Bug Fest is a free, fun, family event. Learn about the wonderful world of insects and earn a degree in "bugology".

Hayrides:

In the fall, Southeastway Park offers hayride programs. The program consists of a 3 hour use of a shelter, a bonfire and a tractor-pulled hayride. It's one of the best ways to enjoy the beautiful Indiana fall.

General Information:

Southeastway Park is a 188-acre nature park managed by the Indianapolis Parks and Recreation Department. The park is located in the southeast corner of Marion County at 5624 South Carroll Road easily accessible from I-74 at the Acton Road exit. There are a variety of natural habitats on the property including 80 acres of forest, a pond and wetland, open fields, a prairie and Buck Creek. The park also offers numerous environmental educational programs and special events throughout the year.

Mission Statement:

The mission of Southeastway Park is to foster understanding and appreciation of nature through preservation and enhancement of diverse natural habitats while offering individuals, families and small groups a safe, secure and accessible place for enjoyment and recreation.
