To open Sept. 17, 2018

On or after September 17, 2018, the College Avenue bridge over Fall Creek will close for necessary deck and sidewalk repairs. The bridge is expected to reopen by November 17, 2018. During this closure, Indy DPW recommends that commuters to downtown use the suggested alternative routes to best avoid the nearby construction activity along Meridian Street at 28th Street and at the Central Avenue bridge over Fall Creek.
