**SPECIAL ORDERS - PUBLIC HEARING**

PROPOSAL NO. 133, 2011. Councillor Lutz reported that the Criminal Justice and Courts Committee heard Proposal No. 133, 2011 on May 31, 2011. The proposal, sponsored by Councillor Nytes, approves an appropriation of \$65,000 in the 2011 Budget of the Marion County Clerk (Enhanced Access Fund) to fund the scanning of paper traffic tickets, summons returns, and closed and disposed case files. By a 5-0 vote, the Committee reported the proposal to the Council with the recommendation that it do pass.

Councillor Vaughn asked if there is a time deadline on when the archives need to be completed. Councillor Lutz said that there is no time deadline, but the plan is to enter most of the current records first, as they have the most calls for those. He said that their hope is to allow these digital records to be recognized as official records, which would create a huge savings if they can do away with the paper files at the warehouse. In the meantime, however, they will maintain those paper files.

The president called for public testimony at 7:31 p.m.

Larry Vaughn, citizen, reminded the Council that all traffic violations and fines are supposed to go into the common school fund. This is not being done and it is unconstitutional and illegal. He said that the public schools are being degraded in every way.

Councillor Lutz said that this proposal has nothing to do with a designation of where money from traffic tickets go. This appropriation is money that the county has collected from people who access county records over the internet using CivicNet.

Councillor Nytes commended the Clerk and the courts for taking these steps. She said that in light of recent weather disasters, this is a good step toward insuring that records will be retained and preserved, as digital backup will save money, add efficiency and keep the city prepared in the event of an emergency.

There being no further testimony, Councillor Lutz moved, seconded by Councillor Nytes, for adoption. Proposal No. 133, 2011 was adopted on the following roll call vote; viz:

June 6, 2011
