Central Indiana Transit Task Force Discusses Comprehensive Strategy for Local Mass Transit

INDIANAPOLIS-The Municipal Corporations Committee of the City-County Council will hear from Sean White, Executive Director of the Central Indiana Transit Task Force (CITTF), at their next meeting on March 16, 2009. White will share information on the purpose of the task force and explain the mission of CITTF. Mike Terry, President of IndyGo, will also take part in the presentation with an emphasis on City planning.

Councillor Michael McQuillen, chair of the committee, encourages all interested to take part in this open, public event. "The citizens of Marion County are stakeholders in the future of our mass-transit system," McQuillen said, adding "This will be a great opportunity to hear how the Mayor's task force is developing a plan for expanded, yet fiscally responsible, transportation for our city." The meeting will be held on March 16, 2009 at the Central Indianapolis-Marion County Public Library, 40 East St. Clair Street, in the Riley Room beginning at 5:00pm.

CITTF is a private sector led task force made up of members of [Central Indiana Corporate Partnership](#), [Greater Indianapolis Chamber of Commerce](#), [Central Indiana Community Foundation](#) and the [Indianapolis Metropolitan Planning Organization](#).
