

CIRCUIT AND SUPERIOR COURTS OF MARION COUNTY, INDIANA

SECURITY SCREENING POLICY FOR ATTORNEYS

I. Introduction

Pursuant to the executive orders, this Security Screening Policy for Attorneys has been approved and adopted by the Marion County Circuit Court and the Marion Superior Court.

The privilege of attorney identification cards is extended to members of the Bar as officers of the Court. An authorized attorney identification card, approved by the Court, may be presented to a court security officer at a security screening station, permitting the attorney to enter a secured area without having his or her person or articles automatically subjected to a search.

II. Conditions

The approval and issuance of an Attorney Identification Card (“I.D. Card”), is a privilege extended by order of the Circuit and Superior Courts. All attorneys granted this privilege accept the privilege subject to any and all terms and conditions set forth by the court. These conditions include, but are not limited to, an Agreement by the attorney that he or she will not bring firearms, knives, or any other prohibited weapons or contraband into the City-County Building; that the I.D. Card is issued for the exclusive personal use of the authorized attorney and is not to be loaned out to other persons; and that the I.D. Card will be used in accordance with the Rules of Professional Responsibility and the attorney’s responsibilities as an officer of the court. An I.D. Card may be revoked at any time at the sole discretion of the Court Administrator pursuant to the directives of the Circuit or Superior Courts. Misuse of an I.D. Card is grounds for immediate revocation. Cards shall be used only when an attorney is active and in good standing.

III. Application Process and Issuance of Card

Applications for I.D. Card will be processed and completed online at:

<https://www.logoindiana.com/attorneycards/>

Cards will be mailed to the Attorney address on record.

All attorneys are requested to ensure that they have a valid email address and proper mailing address for the cards to be processed and sent.

The application process utilizes a secure link to the Indiana Roll of Attorneys website to verify and confirm that the attorney is still in good standing on the date of order prior to releasing the card for printing and mailing to the applicant.

Any attorney in possession of an old I.D. Card is responsible for destroying the old card after receipt of the new I.D. Card.

The fee of Sixty Dollars (**\$60.00**) is due at the completion of the online application submission and can be paid via electronic check (ACH) or credit card. This fee is non-refundable. In the event an attorney's status on the Indiana Roll of Attorneys changes prior to pickup and he or she is no longer eligible for an I.D. Card, the fee shall not be refunded.

The Office of the Court Administrator office must be notified immediately if there is a change in status of the attorney applicant, such as resignation, suspension or disbarment from the practice of law, retirement, or if the card is lost or stolen. A replacement card may be purchased for \$60.00 at the first occurrence.

The new I.D. Card will be issued for a period of three years and shall be renewable.

The Court Administrator's Office shall be the repository of all applications and shall maintain the list of all attorneys who have been issued an I.D. Card.

The next I.D. Card will be issued beginning January 1st, 2016 and will be valid until December 31, 2018.
